OFFICER AWARENESS:

- CIG received reports from OPP and OPS that the group at 302 Coventry Road were asked to leave and appear to be packing up to leave as of approx. 1415hrs. 300-400 people reported to be on site including children.

-

- As of 1245hrs 2022-02-19, OPS advised that 47 arrests have been made today.

Shane MARSHALL, who was also arrested on his outstanding warrant and was released unconditionally as warrant could not be enforced (
 - CIG OSINT located a Twitter post from @CBCOttawa which indicates hat Pat KING's bail hearing appears to be scheduled for 2022-02-22.

[i]

- OPS reported that Mathieu CLOUTIER was arrested after he detonated a smoke bomb.

- CIG observed on CBC News that Alex VRIEND has been arrested down at the protest site.
- OPS reports that [redacted] was arrested earlier today. His vehicle was searched. Smoke grenade and fireworks were located in his vehicle. OPS continues to investigate the situation
- A police operation is currently taking place on Wellington Street.

SOI/PPPOL:

- The [redacted] account associated to Jeremy MACKENZIE (ragingdissident) made a post at 14:09 in response to the arrest of Alex VRIEND on CBC News. The post states “Diagolon will not forgive this! You’ve gone too far now, pigs!”

[ii]

- CIG OSINT has located a [redacted] post from the Randy HILLIER MPP [redacted] account which indicates that HILLIER was prevented from attending a press conference by the Ottawa Police.
 - Supporters, such as [redacted] have responded to this by claiming it is an attempt by the police to prevent elected officials from addressing people today.

ADDITIONAL INTEL UPDATES:

- CIG received reports that at approx. 1215hrs, what appears to be a Hamas flag, was observed amongst the crowd of demonstrators. The individual was later observed without the flag.
 - *Description: Hamas, the Arabic acronym for the group Harakat Al-Muqawama Al-Islamiya, is a radical Islamist-nationalist terrorist organization that emerged from the Palestinian branch of the Muslim Brotherhood in 1987. It uses political and violent means to pursue its goal of establishing an Islamic Palestinian state in Israel. Since 1990, Hamas has been responsible for terrorist attacks against both civilian and military targets.* [v]

- The Facebook user Ron Clark Freedom Advocate was live approximately 2.5 hours ago. The CIG has flagged the following key points from the video:
 - Indicates that he is at Coventry. (Possibly refers to 302 Coventry Rd)
 - States that he has "boots on the ground" downtown Ottawa, but has asked them to leave in order to regroup.
 - Claims that everyone is being pepper sprayed downtown.
 - States that he has to go to a few places in order to get "information."
 - States that he will be off for a few hours; has to drive to these places as they are potentially not close.
 - Is cautious about not putting information to the public due to fears it could be overheard.
 - Is talking to someone about regrouping. Aware that Facebook videos are being watched.
 - States that the Liberal Party is the terrorists, the criminals, and should be removed.
 - States will appear with another update in a couple of hours.
 - States that majority of truckers are pulling out - going to some places. But can't say anything more.

UPCOMING CONVOYS/DEMONSTRATIONS:

- CIG OSINT has located a Facebook event for a march in support of the convoy which is expected to take place today at 1300hrs (event previously scheduled to begin at 1400hrs). According to the event poster, the event is being organized by the group *Actions Pacifiques Gatineau*. The group is expected to march across the Portage bridge into Ottawa.
 - Update from SPVG: Some demonstrators have been reported to have crossed over into Ottawa. No confirmed numbers provided. However, the Chaudière, Macdonald Cartier bridges have both been closed to pedestrian traffic coming into Ottawa since.

-

NUMBERS:

- No demonstrators reported on Parliament Hill.
- Due to the current police operations CIJ could not confirm the number of demonstrators on Wellington Street and surrounding areas.

Further efforts to communicate with the protestors have not been successful.

Operational Information:

- OPS advised of Arrest warrant for Matthew DORKEN. DORKEN is wanted on Reasonable probable grounds after committing mischief at 255 Albert St. Ottawa. If arrested, DORKEN can be released on an Adult Undertaking with the condition, not to attend 255 Albert St, Ottawa.
- CIG was advised that OPS has arrested Jeffrey GALLANT at approximately 1200hrs.
- OPS advised that they received a call from an individual who saw a post from Andre LACASSE (on Facebook) who reportedly said that he was ``making home made fireworks like bombs in his home and was going to head downtown to kill cops if they were going to (fuck) with him``. No additional details provided. CIG

OSINT analyst could not confirm this information. Facebook post could not be located. OPS currently looking into this.

- A tweet alleges that the Canada First group is calling for the arrest of all Members of Parliament and Senators. Original Canada First post could not be identified. CIG will continue to monitor for any threats towards MPs.
- Information received from CS-SAA-RMI: In the _____ channel, protesters are moving out of the Coventry locations to leave their trucks overnight. They are headed to Exit 88 near Embrun, ON. They have a shuttle bus to bring people from Exit 88 to downtown Ottawa. 302 Coventry Rd has become a coordination centre.

- NHQ DG will be sending out a message shortly directing all operational RM's who are not actively engaged in this event to immediately identify themselves by email and to provide their contact information for possible imminent deployment. Prior to distribution this message, the DG of NHQ engaged in consultation with the NPF and with full support from the Deputy Commissioners of Federal Policing, Contract and Indigenous Policing and Specialized Policing Services.
- RCMP held meeting at 1200hrs with the RCMP program leads to examine respective operational postures and anticipate what future requirements will be in support of a prolonged incident. CIP will look to, when risk is acceptable, transitioning to a model similar to a G7/Summit. Robust HR Mobilization strategy being implemented, in order to ensure full coordination of the various resource deployments in support of this event.

Protective Clients and Protective Sites:

- A. Director of PPS has been asked to appear before the Liberal Caucus on 2022-02-02 at 1110hrs to respond to questions surrounding the measures that PPS has undertaken specific to the Precinct and the grounds of Parliament Hill.
- PPS has advised that there are 149 MP's currently on Parliament Hill, the majority arriving by foot. No issues have been reported.

Communications:

- RCMP noticing an increased trend in discussions surrounding when should the

Federal government step in to assume control over the management of this event. All responses, including one from Minister MENDICINO (when he was approached prior to Cabinet meeting at 1300hrs), remains consistent with the fact that the Federal Government's role will remain in support of the Police of Jurisdiction.

However, two news releases were issued by OPS earlier today: the first one regarding the presence of children and youth at the demo sites and that they will work to ensure their safety and wellbeing, and the second one **advising demonstrators that it is a criminal offence to obstruct, interrupt or interfere with the lawful use, enjoyment, or operation of property, and of the charges or convictions related to this unlawful activity** (which we have also augmented by sharing on our social media platforms). Both releases have been

garnering a significant amount of media attention this afternoon.

- At a recent press conference, the Mayor of Windsor requested the support of the federal government in dealing with the Ambassador Bridge blockade.
- No media requests have been received since the last update.

- There are 138 news stories reporting on the demonstrations this morning. A significant portion of reporting continues to focus on the situation in Windsor at the Ambassador Bridge, with some protesters defying enforcement efforts. While police have cleared some access to the bridge, it remains closed. For the Ottawa protest, media continue to report on incidents from yesterday in relation to the removal of the fencing around the National War Memorial as well as on the presence of large crowds on Wellington Street late into the evening.
- The OPS issued a news release last evening the establishment of an enhanced, Integrated Command Centre (ICC) with the RCMP and the OPP. The release cites that the ICC will result in a significantly enhanced ability of the OPS to respond to the current situation in our city, and will allow them to make the most effective use of the additional resources our policing partners have provided to us. The release also stated safety concerns due to the large number and aggressive nature of demonstrators and details recent enforcement efforts, criminal charges, and ongoing investigations.  - "He is now running a page, not just from his profile. This is on Facebook. And he's running a page under the same name. So it's and you'll find a page that he is using to post his videos on there for updates

about the situation down there (Coutts, AB).”

- “Tomorrow morning is the last day of the single lap Jericho marches. That starts at 9 o’clock in front of Parliament Hill. [...] The march takes about an hour. [...] Thursday is the big day; we have seven laps to do. We’re starting at seven in the morning.”^[iii]

- News since the last update continues to be centred primarily on the resignation of OPS Chief Sloly as well as on the new powers granted under the Emergencies Act. In that sense, a technical briefing by Government of Canada, including a spokesperson from the RCMP, took place yesterday afternoon to help clarify roles under the Emergencies Act.

- Following confusion earlier yesterday afternoon regarding the role of the RCMP in relation to the ICC command structure, social media message reiterating the RCMP's role and collaboration with ICC partners was issued from the National Division social media accounts. Same messaging will also be used to respond to pending media enquiries on the matter.

 - KING appears as a passenger in a pick-up truck which is driving around downtown Ottawa and says they are heading to Wellington Street (driver shouts ‘Freedom’ in male voice, possibly BILLINGS). KING states he has seen the paper being circulated but since there is no signature or stamp people can’t be scared. He says “do not bend the knee” and that they will have to start doing night shifts to be vigilant and stand their ground. The vehicle parks in front an ‘EQ3’ sign which is a furniture store at 60 Byward Market Square and KING continues to walk on foot to Rideau and Sussex. CIG OSINT located a YouTube video posted today by user [redacted] which shows a female in a black police vest with the nametag [redacted].
