I am _____ on media generally and think we could acknowledge what is already publicly available.

- Adherents of ideologically motivated violent extremism often share terms, symbols and concepts including fluid and unspecific anti-government sentiments.
- Symbols linked to the "Diagolon" ideology were found among exhibits in the Coutts file.
 - Already made public so this info is open source:
<https://globalnews.ca/news/8621125/canadian-anti-hate-network-concerned-diagolon-coutts-border-protest-diagolon/>
- Other Diagolon related symbols have been observed in the Ottawa protests
 - Open Source: Jeremy MACKENIZE is described as the de facto leader:
<https://www.vice.com/en/article/k7wpgy/freedom-convoy-murder-conspiracy-diagolon>
 - And here: <https://www.urbandictionary.com/define.php?term=Diagolon>

- And more here <https://www.straight.com/news/maxime-bernier-promotes-instagram-feed-of-far-right-vlogger-who-once-called-nuremberg-trials-a>

I think if we try to hide from this obvious stream of information we would only do harm to the public trust aspect of our NS program. Not to mention the Minister of Justice himself said police should answer this exact question.

My two cents but nothing in the above could hurt a criminal investigation as long as we don't get into the weeds about the Coutts file.

We have to provide a response – what it will say, still remains to be seen and this is where Lisa will need some assistance.

Lisa – if you want to start crafting from your standing “ongoing investigation” lines and the IMVE standing lines, that should give us something to work with.

Hi Leslie,

We just received another request about the remarks made by Mendicino re: far-right extremism.

Deadline: ASAP

Again, I'm looking for your advice on this.

Thanks,

Lisa

Request:

During a news conference today, Minister of public safety Marco Mendicino said the following:

"Several individuals at Coutts have strong ties to a far right extreme organization with leaders who are in Ottawa."

When pressed further, he advised media to direct questions to law enforcement.

A few questions then:

- Can the RCMP confirm a link between the individuals arrested at Coutts and members of the Ottawa protests?
- Does the far-right group that the Minister referred to have a name? Can you provide any info on this group?

Any other info on this statement made by the Minister would be appreciated.

Good afternoon Jim/Annie

Further to the threats made to DPM Freeland (mentioned in this CIG report), we are looking at it as a direct threat and not an indirect threat. As such, we will be following up on this from FPNS.

Thanks Sue.

Do we know what the posture would be from FPNS given we are actively engaged from a different perspective? Will we continue to support from an NS perspective or deployed on the ground?

I'm sure questions will be flying from our folks when they receive the message from the DG NHQ. Just trying to get ahead of it.

Thanks

FPNS has received several inquiries about evidence on this case and are facilitating communication with either KINSET (Calgary) or the lead unit KDIV SCB (Calgary GIS). FPNS is also assessing DIAGOLON as a potential avenue for a criminal investigation.
